**Above are the original Positive, Negative, Suggestive comments by the students received through online mode. They are placed as it is they are received.**

These are the Suggestion and positive, negative comments expressed by the students through the students' satisfaction Survey.

**Collection and Analysis of the feedback:**

We at IQAC collected all these comments and analyzed them and were discussed through IQAC. They are sheared with Hon. Prin. Dr. K.C. Mohite; these analyzed comments were also presented to Hon. Prin. N.S.Nikam (Secretary, Shirur Shikshan Prasarak Mandal, Shirur and Management Representative, IQAC, Comprehensive Committee).

**Action Taken Report:-**

The Management has taken serious cognizance of the suggestion, (especially possible suggestions and as well as Negative comments) and action about the redressal was immediately taken. Following are some of the points along with Action Taken Report.

1. Industry visits, campus interviews, Workshops were demanded by the students but due to Covid-19 pandemic situations it was restricted **according to the Government, UGC, University circulars** but surely once the pandemic gets over it will be in practice as a regular practice.
- 2 Use of LCD, PPT, Sports competitions are expected but due to Covid-19 pandemic situations it was restricted **according to the Local Disaster Management Authority, Government ,UGC, University circulars** but surely once the pandemic gets over it will be in practice as a regular practice.
3. The relaxation in the schedule of paying fees is expected, **looking at the pandemic, moratorium is given** to the needy applicants.
4. Kindly open laboratories for students is a demand but due to following pandemic rules and the guidelines by **Local Disaster Management Authority the rules were followed stringently , as the openings will be allowed it will be made available.**
5. **96% students are satisfied with the communication of PO, CO's of the courses**, but 04% are not aware of the same so it was communicated through a notice to all staff to see to it that 100% students are conveyed with the PO, COs.
6. **96.09 % students are satisfied with the online content** and the style of communication through this mode 3.01 % students are demanding more proficiency in online teaching it was communicated to the staff to take cognizance of the same.
