Action Taken Report (ATR) of Institution by students

A.Y. 2018-19

During the academic year 2018-19 the structured feedback from students is collected through online mode (Google form.). Total 110 responses of students from F.Y. to M.Sc. were received.

These responses were analyzed, It has been observed that there is 'no' negative response about admission process. Majority are happy with the discipline, few found the canteen to be more developed, Majority are happy with the library, 93% student found examination system good. No negative opinion about curricular activities and extracurricular activities. Most remarkable that 96% remain remarked that female more secure in the college.

The feedback analysis has been forwarded to Management through Principal.

Dr. K. C. Mohite
