Action Taken Report on Feedback 2020-21

Type/Nature of Feedback Taken	Response/Suggestions Provided	Action Taken
Feedback By Teachers	<p>Syllabus should be enriching the knowledge, useful for life and complementary to career.</p> <p>Most useful syllabus</p> <p>It should be based on survive based approach.</p> <p>Due to covid-19, students can't go to laboratories. The present science syllabus can't be taught without laboratories.</p> <p>Add -on courses in syllabus related to job oriented courses such as industrial application, biotechnology, medicine, pharmaceutical related courses.</p>	<p>Feedback from various stakeholders Students, Alumni a, Teachers and Employer has been taken and the analysis report is prepared and sent to university for to take further actions.</p>
Feedback By Students	<p>Nothing. everything is fine</p> <p>Everything is good.</p> <p>Focus on practical's not theory.</p> <p>Add technological syllabus.</p>	
Feedback By Alumni	<p>Excellent syllabus</p> <p>No suggestions.</p> <p>Better syllabus.</p> <p>When possible, take as many online exams as possible on the course</p> <p>Career Guidance.</p>	
Feedback By Employer	<p>We are looking towards the NEP for better Change. CBCS is good tools to satisfy the students as well as examine the students continuously.</p>
